A Technique For Producing Ideas

A Technique for Getting Ideas By James Wood Young

that there may be a technique for producing ideas, is everybody capable of using it? Or is there, in addition, some special ability for producing ideas which, after all, you must be born with-like a color sense or tone sense, or card sense? One answer to that question is suggested in the work of "Mind and Society", by the great Italian sociologist, Pareto Pareto thought that all the world
