## Before You Follow Your Passion

Develop and follow your own passion

Develop and follow your own passion William D Nix 14 L me begin by congratulating all of you who are graduating today You have a right to be very proud of your accomplishments We should also thank your family and friends who supported you, financially and otherwise It seems like only yesterday that I was there, sitting beside you But actually it was 47 years ...

Why Following Your Passion Might Not Be Right For You

The mantra to follow your passion is unhelpful and leads us to believe that work should be blissful all the same Passion for work isn't bad; it's essential fuel for overcoming tough problems Yet, putting passion above all else is a misguided endeavor Spending time thinking closely about the better questions to guide your career is worth the effort Let's go through a few examples ...

Temptation and [Jes]us (Part 6)

trusted "Follow your passion' is not good advice when that passion is the unchecked inclination of one's fallen human nature"9 If you let your desires—your feelings, your peace, your gut, whatever you want to call it—fly the plane, they will crash land in hell And yet I have conversations most weeks with people who make

So Good They Can't Ignore You - by Cal Newport

- "Follow your passion - life is for the living" - "Don't settle" - "Passion is the engine of living life" - "The most valuable lesson is to find your purpose and follow your passion" - "Do what you love - the money will take care of itself" - (And so on, you get the picture) The Passion Hypothesis "The key to occupational happiness is to first figure out what you're
