A Bitter Pill

A Bitter Pill by Colin D Smith Joseph Yates stood, grinning, as the jury foreman declared in booming tones the verdict of his peers: "Not guilty" The judge then turned to him "Mr Joseph Yates," she said, "You have been found not guilty of murder in the first degree You are free to go" She slammed her hammer down on its block and dismissed the court Yates stood, frozen

5 March 2018 Oxford

delivered his tax cut, which is a bitter-sweet pill for the private equity industry Good news on corporate taxes, bad news on interest deductibility, and a bullet dodged on the taxation of carried interest! Money continues to flood into the private equity sector in recent years, and there has been the interesting emergence of "private debt" or "alternative credit" as a hot (closely

The Little Book on Expert Witness Practice in the Civil Arena

The need to publish a second edition of this Little Book is a bitter-sweet pill It is, of course, very satisfying to be the author of a book that is sufficiently popular to justify the cost, in time and money, of preparing a second edition But it is the changes in expert witness practice that have been wrought during the past 4 years that make it a troubling exercise Let's consider just

Review of In Retrospect: From the Pill to the Pen

The third chapter, "The Bitter-Sweet Pill", especially of interest to chemists, recounts for a more general audience Djerassi's involvement with the invention and development of the first synthetic birth control pill at Syntex in Mexico For this development, he has been widely called "the Father of the Pill" He demurs and says "Mother of the Pill" would be more appropriate
