### Anti-Slavery and Feminism in Nineteenth-Century Britain

Nineteenth-Century Britain CLARE MIDGLEY In seeking to demand equal rights with men while revaluing the 'feminine' and to foster political alliances among women whose present positions are manifestly unequal, contemporary feminists confront difficult dilemmas In this essay I bring a historical perspective to bear on these issues through an exploration of women's participation in the

Century British Women

Education of British women in the nineteenth century constituted a "revolution" Although Sheila Fletcher's more detailed and particular study recognizes widespread apathy and reaction when it came to the spread of grammar school endowments for girls, her chapter on "what was achieved" remains the focal point of her book Both authors see the winning of secondary and higher education for young

Memsahibs and their Servants in Nineteenth-century India

nineteenth century, many British women were formulating their own opinions about the Indians long before the emerging dominance of later British imperial cultures or of Social Darwinism By the 1820s memsahibs had begun publishing their private letters and their autobiographies From the 1850s onwards, others produced advice manuals and wrote articles and MEMSAHIBS AND THEIR SERVANTS 549 Women
