BA English Literature and Politics - University of Reading

Politics and English Literature are disciplines that lend themselves to critical judgement and problem-solving, both through personal engagement with issues and through dialogue and groups discussion Students are encouraged to defend and to challenge established positions through the collection, collation and analysis of substantial quantities of material, the rigour of argument, and literature review on elections, political campaigning and ...

influence, the literature offers some answers about how the digital has shaped elections It suggests that, however, we should be looking at how a lack of privacy reduces our free will Zuboff's analysis shows how surveillance by private companies moves quickly to 'instrumentarianism', which is defined as 'the instrumentation and instrumentalization of behaviour for the purposes of

Education Rigorous Literature Review

The literature on the politics of decentralisation concludes that while decentralisation is a widely advocated reform, many of its supposed benefits do not accrue in practice because in poor rural areas the local elite closes up the spaces for wider community representation and participation in school affairs This is borne out by the experiences of Mozambique, Zambia, Zimbabwe, Mexico and
