Married Love Or Love In

Married Love and the Gift of Life

Married love differs from any other love in the world By its nature, the love of husband and wife is so complete, so ordered to a lifetime of communion with God and each other, that it is open to creating a new human being they will love and care for together Part of God's gift to husband and wife is this ability in and through their love to cooperate with God's creative power Therefore

Marriage

The Lord, wishing to bestow special gifts of grace and divine love on married love, has restored, perfected, and elevated it A love like that, bringing together the human and the divine, leads the partners to a free and mutual self-giving, experienced in tenderness and action, and permeating their entire lives; this love is actually developed and increased by its generous exercise9 As Part
