deployments on land, in the air and at sea, for the purposes of this paper the Horn of Africa region is defined as a security space comprised of the four core countries plus Kenya, the Seychelles, South Sudan and Sudan, as well as key adjacent maritime areas—the southern Red Sea, the Gulf of Aden and the Bab el-Mandeb Strait Foreign forces are also deployed beyond the Horn of Africa region

Escalation at Sea: Stability and Instability in Maritime ...

arising from the election of Donald Trump to the American presidency, has led to increasing fears escalation at sea than on land The options to use new weapons systems or attack new types of targets (vertical escalation) are limited, and geographic expansion of the area of conflict (horizontal escalation) is unlikely 8 The article develops this argument by discussing how the nature of the

Reflections of a Jamaican Father By Donald J. Harris

Donald J Harris As a child growing up in Jamaica, I often heard it said, by my parents and family friends: "memba whe yu cum fram" To this day, I continue to retain the deep social awareness and strong sense of identity which that grassroots Jamaican philosophy fed in me As a father, I naturally sought to develop the same sensibility in my two daughters Born and bred in America, Kamala

Mediterranean/ Black Sea Flyway - BirdLife International

The Mediterranean/Black Sea Flyway is one of three Palaearctic-African flyways connecting Europe with Africa Collectively, these constitute the world's largest bird migration system The scale of the avian movement is truly awesome with over 2 billion passerines and near-passerines, 25 million ducks and two million raptors migrating from their breeding grounds in Europe and central and
