Dorset: Advanced Engineering

AdE represents an 'island' of high value added with an important export component locally, offering a global context for investment-led growth Given the lack of productivity and overseas engagement generally in the Dorset economy, and given the pressing need to improve on this record because of the trade adjustments now foreseen (BREXIT and Trump), AdE and other 'beacons' of growth

Update August 2018 - The Portland Plan

Update August 2018 Purpose The purpose of this update is to: - Clarify the relationship between the Local Plan Review and the Portland Neighbourhood Plan Provide some details about the recent 'Regulation 14' consultation (June/July 2018) and actions currently being undertaken to prepare for the final stages of the neighbourhood planning process
