THE ESCHATOLOGY OF THE PURITAN CONFESSIONS

of Prophetic Interpretation (Washington, 1948), ii553 SCOTTISH BULLETIN OF EVANGELICAL THEOLOGY postmillennial expectations⁵ As this debate illustrates, in spite of all that has been written about puritan eschatology - and the literature is, by now, extensive-it is still a subject fogged by obscurity⁶ In part this confusion is due to the often a-historical nature of theological

Puritanism as a Revolutionary Ideology

Recent studies of revolutionary movements and totalitarian governments clearly suggest the shifting role of ideas during periods of crisis and relative stability To reduce all this to a single formula would be to impoverish our historical and sociological speculation This was probably the initial effect of Marxism upon the history of ideas, even though the theory of ideology was surely the

The American Churches, An Interpretation (New York, 1948), the Puritanism held to sola scriptura and assurance gained through conversion, it eschewed total depravity and double predestination, conjoined faith and reason, made faith a work and divine grace something to be pursued The Puritan lived in no parson-ridden society Rather, he was sceptical of witch craft and devoted to science

Durham E-Theses What do the religious beliefs of the ...

The early studies of the outbreak of the civil war have been grouped together as the Whig view of the puritan revolution, because they appealed to the belief that history was a continuous story of man's progress towards liberty This prevailing view of the inevitable rise from medieval authoritarianism to modern democracy held sway amongst historians until the early twentieth century³, when
