Did it make any

University of Bristol

The central thesis of Porter's *The Absent Minded Imperialists* was that there needed to be 'an awareness of the limits of the Empire's impact on British society' in the nineteenth and twentieth centuries, which was a challenge to the orthodoxy that the British Empire 'in one way or another permeated every aspect of Victorian

Empire? What Empire? Imperialism and British national ...

expectation of imperialism, we find that the empire did not need to have been anything like as pervasive as this - as essential to Britons' self-perception as a nation - 1 This chapter draws on research for a book, *The Absent-minded Imperialists*, to be published by Oxford University Press, probably in 2004 Evidence for many of the

*The British Public in a Shrinking World: Civic Engagement ...*

In stark contrast, Porter, the author of *Absent-Minded Imperialists*, remembered very few direct or vicarious experiences of empire from his own childhood—no family migration to the colonies or service in the armed forces, no imperial novels on the bookshelf, and little enthusiasm for missionary work in his Methodist church—citing his own experiences as evidence of the shallowness of the
