Economic History and Contemporary ... - cambridge.org

Economic history has something to say about what deglobalization looks like, and about whether what we are experiencing today matches that description Economic historians, and historians more generally, can speak to the issue of whether the causes of Brexit and Trump were economic or not And finally, economic history has something to say about the political stresses to which globalization

THE CAMBRIDGE ECONOMIC HISTORY OF THE GRECO-ROMAN ...

2 The Cambridge Economic History of the Greco-Roman World Objective More than sixty years after the publication of the first volume of the Cambridge Economic History of Europe: from the decline of the Roman Empire, our volume aims, in part, to redress the neglect of Greco-Roman antiquity in the Cambridge Economic History series, and at an opportune moment, we believe

The Economic History of Latin America since Independence

The Economic History of Latin America since Independence tells the story of promise unfulfilled Despite the region's abundance of natural resources and a favorable ratio of land to labor, not a single republic of Latin America has achieved the status of a developed country after two centuries free of colonial rule And yet much has been achieved in Latin America A small number of
