History of National Flags" Series from Flagmakers HISTORY ...

The White Ensign, at one time called the St George's Ensign due to the simultaneous existence of a cross-less version of the flag, is an ensign flown on British Royal Navy ships and shore establishments It consists of a red St George's Cross on a white field with the Union Flag in the upper canton English naval ensigns were first used during the late 15th century and the first was striped in

Ensigns - starcross-fcc.com

The Red Ensign ... is still the flag of the merchant fleet, and is the flag that should be flown by British owned vessels Its use on pleasure craft is, I understand, optional in UK waters, but in most foreign waters one would normally be expected to fly it There are still regulations in force requiring vessels flying an ensign to fly the Red Ensign Flying other flags (such as the Union Flag
