## The Great Plague The Story

The History of Plague - Part 1. The Three Great Pandemics

The three great plague pandemics had different geographic origins and paths of spread The Justinian Plague of 541 started in central Africa and spread to Egypt and the Mediterranean The Black Death of 1347 originated in Asia and spread to the Crimea then Europe and Russia The third pandemic, that of 1894, originated in Yunnan, China, and spread to Hong Kong and India, then to the rest of

The National Archives Education Service The Great Plague ...

This tells the famous story of the village of Eyam in Derbyshire that deliberately isolated itself to stop the spread of the disease to nearby villages Introduction This resource was produced using documents from the collections of The National Archives It can be freely modified and reproduced for use in the classroom only The Great Plague 1665-1666 How did London respond? 3 Contents

1665: London's Last Great Plague Transcript

The 350th anniversary year of the last great plague of London has not seen commemorations like those for Waterloo or Agincourt, let alone Magna Carta, but it is still a worthwhile opportunity for reflection The story of the plague is probably very familiar to many, and there is a small library of books on the topic The question I would like to explore tonight is, do we really understand the
