THE NEW HOME FRONT HOME FRONT - The Green Party

Britain in the run up to, during and in the aftermath of the Second World War Why? It was a time when politicians had to make life and death decisions in circumstances of great complexity and uncertainty They had the challenge of meeting a huge external threat and of carrying the The New Home Front 7 population with them Contrary to popular myth, initially at least, the threat and

The home front in Britain and in Germany - Microsoft

The home front in Britain and in Germany Even when land battles are being fought on the soils of foreign countries, war takes its toll on the civilian population of countries at war The societies in countries involved with World War Two were greatly affected by the war be it due to the threat of invasion, lack of supplies, or even civilian casualties However, society also played a huge role
