What do you need to move forward? 2 Questions on implementing plans Now that you have a plan, how do you move into

Research Associate Full report

Both models rely implicitly in their operation on Egan's (1998) 'skilled helper' approach. This aims to allow the person being coached to be objective in looking at the problem they face, and the skilled helper acts as facilitator in helping them to see the 'blind spots' of their problem before developing an ideal scenario that they would like to work towards. Such 'skilled helper
