Isaac Rosenberg

In the summer of 1914 Isaac Rosenberg, living in Capetown, finished writing his second lecture on art and wrote to Edward Marsh four days before the declaration of war: I know my poor innocent essay stands no chance by the side of the bristling legions of war-scented documents on your desk; but know that I despise war and hate war, and hope that the Kaiser William will have his bottom smacked

cases of declared war or of any other armed conflict which may arise between two or more of the High Contracting Parties, even if the state of war is not recognized by one of them

The Reasons for Wars - an Updated Survey

In principle, a war between two theocracies, or two states led by people of different religions, can be thought of as having rational explanations It is a question of defining the objectives of the agents For example, the goal might not be materially based, but might be based on the increasing the size of the population of one religion or eradicating another In such situations, even with
