Vikings - British Museum

The Vikings began to raid the coasts of Britain and Ireland towards the end of the 8th century. The earliest recorded raids in England were in AD 789 at Portland, Dorset and in AD 793 at Lindisfarne in north-east England. During the ninth century, Danish Vikings settled in eastern England. From AD 870 they moved west and invaded Wessex in AD

The Viking Trail from Lancaster to Dent

through a beautiful area of north-west England that is rich in history. The walk has been designed to minimise the use of main roads and use footpaths where possible. Boots or stout shoes, as well as rain gear, are advised. The whole walk can be completed in two or three days. It makes an ideal ramble for a long weekend. The walker will visit several sites of interest from ...

England was a wealthy country with around 2 million people living in it. Most of these people lived in the south, with fewer in the north and west. Religion was important, everyone followed Catholic Christianity and accepted what the Church said as absolute fact. Edward the Confessor had ruled since 1042 and his reign had been largely stable and peaceful. His rule ...
