CYBERSECURITY: HOW SAFE ARE WE AS A NATION?

While walking to his building, he checks his vital signs and how many steps he has taken, and gets the weather report from his smartwatch After using his fingerprint and code to electronically enter the building, he might correspond via secure connection with a colleague thousands of miles away The building 4 and the streets around him are protected by local, state and federal authorities

Worship Transforming Communities

Terrorism seeks to divide and make us suspicious of one another So, on the Sunday after 9/11 it was vital to respond quickly with an act of worship broadcast on BBC R4 that involved the Abrahamic faiths together A hospitable Christian church was able to bring together an Imam and a Rabbi for a service in which we were each able to contribute a reading from our scriptures, a thoughtful

brennan center for justice

protection in the fight against terrorism A singular institution — part think tank, part public interest law firm, part advocacy group, part communications hub — the Brennan Center seeks meaningful, measurable change in the systems by which our nation is governed about the brennan center's DeMocraCY ProGraM The Brennan Center's Democracy Program works to repair the broken systems ...
