No Stones: Women Redeemed from Sexual Addiction

counselor and a "grateful recovering sex addict" on how to achieve sobriety and healing Written by a counselor who understands the condition from the inside out, No Stones offers practical help for those battling sexual addiction It also includes a specific chapter for anyone in close relationship with an addict, whether a spouse, family member, or friend, who wants to come alongside women

Compulsive and Addictive Sexual Disorders and the Family

role of the family of origin in the genesis of sex addiction, the dynamics of the sexually addicted family, and treatment issues of couples and children Because most partners of sex addicts are women, I will use female pronouns to refer to the partner (also termed coaddict), unless specified; however, the discussion applies equally well to coaddicts of both genders Although there is still

Healing the Wounds of Sexual Addiction By Dr. Mark R ...

double life they are living by hiding their addiction and behaviors Sex addicts often are addicted to other things as well Sexual addiction often begins with a feeling of shame This shame, or other negative emotion, leads the person deeper in the cycle of addiction

The Challenging Landscape of Problematic Sexual Behaviors ...

refer to as "sexual addiction," while others will focus on Axis 1 and Axis 2 diagnoses that may be causing risky or destructive sexual behaviors (Kafka, 2010; Moser, 2010)

The Same Yet Different: Refocusing the Sexual Addiction ...

The original Sexual Addiction Screening Test appeared in *Contrary To Love: Helping the Sexual Addict* (1989) Early research indicated good internal consistency and an ability to discriminate between male sex addicts and male control populations However, with women and homosexual men the instrument was inconsistent and failed to discriminate Gender, Sexual, and Relationship Diversity (GSRD)

'storms' around trans people or sex addiction for example Gender, sexuality, and relationships are likely to be of great significance in our clients' lives, and it is important to have a good working knowledge of the diversity of forms they can take Before going into this however, we need to have a clear sense of the understanding of gender, sexuality, and relationships that dominates

The Myth of Sexual Compulsivity

Sexual addiction in women manifests itself in "frequent dangerous sexual encounters with strangers" (Schwartz & Brasted, 1985, pp 103-104) The following case study illustrates sexual addiction in women: Carrie was a well respected music teacher who moonlighted at night as a singer Dissatisfied with her career, Carrie began to pick up customers

Women who use drugs: Issues, needs, responses, challenges ...

Women and men who use drugs differ in various aspects, including social characteristics, consequences of substance use and development and progression to dependence (Tuchman, 2010); and women present unique concerns that are sex and gender based (NIDA, 2016) Despite these differences, many drug use interventions are male oriented (EMCDDA, 2009)

Alcohol and Re-offending -Who Cares?

women in prison who were hazardous drinkers are dependent on at least one type of illicit drug (Singleton, 1998) These substance misuse problems are often combined with mental health needs Offenders with alcohol and drug dependence have been shown to have significantly higher rates of mental illness such as neurosis, psychosis and personality disorder The ONS study found that more ...
